## REASON FOR VOTING.

I vote No on amendment, because I favor a blanket primary for entire State from constable to Governor, and with blanket primary in bill will support same.

## CHAMBERS.

Senator Hawkins offered the following amendment, which was adopted:

Amend the caption by inserting after the words "regulate elections" the words, general, special and primary and political conventions."

Senator Decker here raised the point of order that the bill had not been printed, but the same was overruled.

Senator Decker offered the following amendment, which was adopted:

Add after the word "act" at the end of Section 115 the words "where a delegate from the county is present in the convention."

Senator Terrell offered the following amendment:

Amend the bill by striking out all after and including Section 102 and insert in lieu thereof the following:

Amend the bill by striking out all of Section 120 and inserting in lieu thereof the following:

"The candidate for any county office who shall receive a plurality of all the votes cast in such county at such primary election shall be entitled to have his name placed upon the official ballot as the candidate of his party for the office to which he was nominated. If any candidate for any district office shall receive a plurality of all the votes cast in such primary election for such office he shall be entitled to have his name placed upon the official ballot as the candidate of his party for the office to which he was nominated; and if a candidate for a State office and he shall get a majority of all the votes cast in a county for such office he shall be entitled to the convention vote of such county in the State convention, which is called to nominate candidates for State office; provided, that if no candidate for a State office shall in such primary receive a majority of all the votes cast in any county for such office, then the convention vote in such county shall be pro rated

among the candidates running for such office in proportion to the votes cast for them in the primary election in such county.

In the State convention at the end of each ballot cast, the candidate receiving the smallest vote shall be dropped from the list of candidates to be voted for on the next ballot. Each county delegation upon each ballot cast for candidates being voted for, shall cast for each of such candidates his pro rata part of the county vote, as long as the name of such candidate is before the convention. Whenever the name of any candidate is withdrawn from the convention, then the delegation of each county may cast the instructed vote or any part thereof of such county for such withdrawn candidate for any other candidate whose name is then before the convention, as the delegation may decide. The convention shall continue to ballot until some one of the candidates balloted for shall receive the majority of all the votes of the convention, when he shall be declared the nominee of the party for the office for which he is nominated. Each county in the State convention shall be entitled to one vote for each three hundred votes or major fraction thereof, cast for the candidate for Governor of the political party holding the convention at the last preceding general election. In case at such general election there were cast by such candidate for Governor less than three hundred votes in any county, then all such organized counties shall have one vote. The result of a State convention shall be certified to the Secretary of State, who shall in return certify the same to all the county clerks.

Senator Faulk offered the following as a substitute for the amendment:

Sec. 103. No one shall vote in any primary election unless he has paid his poll tax or obtained his certificate of exemption from its payment, in cases where such certificate is required, before the first of February next preceding, which fact must be ascertained by the officers conducting the primary election by an inspection of the certified lists of qualified voters of the precinct and of the poll tax receipts or certificates of exemption; provided, that the requirement as to the presentation of poll tax receipts shall apply only to cities of five thousand inhabitants or over, nor shall he vote in any primary election except in the voting precinct of his residence; provided, that if his receipt or certificate be lost or misplaced, or inadvertently left at home, that fact must be sworn to by the party offering to vote; pro-

vided, that the executive committee of any party for any county may prescribe additional qualifications for voters in such primaries, not inconsistent with this act.

Sec. 104. To guard against fraud, a certified list and supplemental list of the qualified voters of the voting precinct furnished by the collector of taxes shall be in the possession of the officers conducting the primary election for reference and comparison, and opposite the name of every voter on said list shall be stamped when his vote is cast with a rubber or wooden stamp, or written with pen and ink the words, "primary—voted," with the date of such primary under the same; provided, that this section shall not apply to towns and cities with a less population than ten thousand in so far as it applies to certificates of exemption; and provided further, that the judges of primary elections are authorized to administer oaths in regard to any matter pertaining to the election. And provided further, that it shall be the duty of the tax collector of each county upon application by the county chairman of the various political parties, to furnish to the presiding judges of the election in the several precincts, certified copies of the list of qualified voters of the several precincts, which said copies shall be furnished at least four days prior to said primary election.

Sec. 105. The fourth Saturday in July in the year 1906 and every two years thereafter shall be the legal "primary election day" and primary elections to nominate candidates for a general election shall be held on no other day except when specially authorized. Any political party may hold a second primary election on the second Saturday in August to nominate candidates where a majority vote is required to make a nomination; but at such second primary only the two candidates who received the two highest votes for the same office shall be voted for. Nominations of candidates to be voted for at any special election shall be made at a primary election at such time as the party executive committee shall determine, but no such committee shall ever have the power to make such nominations; provided, that all precincts in the same county and all counties in the same district shall vote on the same day. Nominations of party candidates for offices to be filled in a city or town shall be made not less than ten days prior to the city or town election at which they are to be chosen, in such manner as the party executive committee for such city or town shall direct, and all laws prescribing the

method of conducting county primary elections shall apply to them.

Sec. 106. There shall be for each political party required by this law to hold primary elections for nomination of its candidates, a county executive committee to be composed of one member from each voting or justice precinct in such county as the party executive committee may direct, to be elected by direct qualified voters of the party in such precinct, on the primary ticket on primary election day, and a chairman thereof, who shall be elected at the same time and in the same manner by all the voters in the county at large; provided that in case of a vacancy occurring in the office of chairman or any member of such committee such vacancy may be filled by a majority of said executive committee.

Sec. 107. The vote at all general primaries shall be by official ballot which shall have printed at the head the name of the party and under such head the name of all candidates, those for each nomination being arranged in the order determined by the various committees as herein provided for beneath the title of the office for which the nomination is sought. The voter shall erase or mark out all the names he does not wish to vote for.

The official ballot shall be printed in black ink upon white paper and beneath the name of each candidate thereof for State and district offices there shall be printed the county of his residence. The official ballot shall be printed by the county committee in each county, which shall furnish to the presiding officer of the general primary for each voting precinct at least one and one-half times as many of such official ballots as there are poll taxes paid for such precinct as shown by the tax collector's list. Where two or more candidates are to be nominated for the same office, to be voted for by the qualified voters of the same district, county or justice precinct, such candidates shall be voted for and nominations made separately and all nominations shall be separately designated on the official ballots by numbering the same "1," "2," "3," etc., printing the abbreviation "No." and the designating number after the title of the office for which such nominations are to be made. Each candidate for such nominations shall designate in the announcement of his candidacy and in his request to have his name placed on the official ballot the number of the nomination for which he desires to become a candidate and the names of all candidates so requesting shall have their names printed beneath title of the office and the number so designated. Each voter shall vote for only one candidate for each such nomination.

Sec. 108. Any person affiliating

with any such party who desires his name to appear on the official ballot for a general primary as a candidate for the nomination of such party for any State office shall file with the State chairman not later than the first Monday in June preceding such primary his written request that his name be placed upon such official ballot as a candidate for the nomination named therein, giving his age and occupation, the county of his residence and his postoffice address, which shall be signed by him and acknowledged by him before some officer. Any twenty-five qualified voters may likewise join in the request that the name of any person affiliating with such party be placed upon the official ballot as a candidate for any State nomination, giving the occupation, county of residence and postoffice address of such person signing and acknowledging the same as above provided, and may file the same with the State chairman on or prior to the date above mentioned with the same effect as if such request had been filed by the party named therein as a candidate for such nomination. All such requests shall be considered filed with the State chairman when they are sent from any point in this State by registered mail addressed to the State chairman at his postoffice address.

Sec. 109. On the second Monday in June preceding each general primary the State committee shall meet at some place to be designated by its chairman, of which designation it shall be the duty of such chairman to notify by mail all members of said committee and all persons whose names have been requested to be placed upon the official ballot not less than three days prior to such meeting. Such committee at this meeting shall by resolution direct their chairman to certify to each county chairman in the State the names of such candidates and county of residence of each as shown by the requests filed with the State chairman. Copies of such certificates shall be immediately furnished to each newspaper in the State desiring to publish the same, and one copy shall be immediately mailed to the chairman of the executive committee of each county. At this meeting the State committee shall also decide upon and publish the place where the State convention of the party shall be held on the second Tuesday in August thereafter.

Sec. 110. Any person desiring his name to appear on the official ballot as a candidate for the nomination for chief justice or associate justice of the Court of Civil Appeals, or for representative in Congress or for State senator or for representative or district judge in representative or judicial districts composed of one or more

counties, or for district attorney, shall file with the chairman of the executive committee of the party for the district, the request prescribed in this act, with reference to the candidate for State nominations, or if there be no chairman of such district executive committee, then with the county chairman of each county composing such district not later than the first Monday in June preceding the general primary. Such requests may likewise be filed not later than said date by any twenty-five qualified voters resident within such district, signed and acknowledged by such voters in the manner prescribed respecting such request signed by a candidate named therein. Immediately thereafter it shall be the duty of each such district chairman to certify the name of all persons for whom such requests have been filed to the county chairman of each county composing such district and each county committee shall determine by lot the order in which the names of all candidates for each such district office shall be printed upon the official ballot.

Sec. 111. Any person desiring his name to appear on the official ballot for the general primary as a candidate for the nomination for any office to be filled by the qualified voters of a county or a portion thereof, or for county or precinct chairman, shall file with the county chairman of the county of his residence, not later than the Saturday before the third Monday in June preceding such primary, a written request for his name to be printed on such official ballot as a candidate for the nomination or position named therein, giving his occupation and postoffice address, giving the street and number of his residence if within a city or town, such request to be signed and acknowledged by him before some officer authorized to take acknowledgments to deeds. Such request similarly signed and acknowledged by any twenty-five qualified voters resident in the county may be filed on or before said date requesting that the names of any person named therein may be placed on the official ballot as a candidate for any county or precinct office or chairmanship, with like effect as if such request was filed by the person named as candidate therein; which request shall be endorsed by the candidate named therein, showing his consent to such candidacy if nominated. On the third Monday in June preceding such general primary the county committee of each county shall meet at the county seat and determine by lot the order in which the names of all candidates for each nomination or position requested be

printed on the official ballot shall be printed thereon.

At such meeting the county committee shall also carefully estimate the cost of printing the official ballots, renting polling places where same may be found necessary, providing and distributing all necessary poll books, blank stationery and voting booths required, compensation of election officers and clerks and messengers to report the result in each precinct to the county chairman, as provided for herein, and all other necessary expenses of holding such primaries in such counties, and shall apportion such cost among the various candidates for nomination for county and precinct offices only as herein defined, and offices to be filled by the voters of such county, or precinct, only (candidates for state offices excepted), in such manner as in their judgment is just and equitable, giving due consideration to the importance and emoluments of each such office for which a nomination is to be made, and shall by resolution direct the chairman to immediately mail to each person whose name has been requested to be placed on the official ballot a statement of the amount of such expenses so apportioned to him, with the request that he pay the same to the county chairman on or before the fourth Monday in June thereafter. At this meeting the county chairman shall present to the committee the certificates of the chairman of the State and the various district executive committees, showing the names of all persons whose names are to appear on the official ballot as candidates for State and district offices and shall appoint subject to the approval of the committee a subcommittee of five members to be known as the primary committee, of which he shall be ex officio chairman, which subcommittee shall meet on the second Monday in June and take up the official ballot for such general primary in such county, in accordance with the certificates of the State and district chairman, and the request filed with the county chairman and placing the name of candidates for nomination for State, district, county and precinct offices thereon in the order determined by the county executive committee as herein provided; provided, that the name of no person shall be placed thereon for a county or precinct office who has not paid to the county executive committee the amount of the estimated expenses of holding such primary apportioned to him by the county executive committee as hereinbefore provided. No candidate for a State or district office shall be required

to pay any portion of such cost, unless the executive committee of the county shall so direct, but in no event shall more than one dollar apiece be assessed against any such candidate for a State or district office. If there are no requests filed for candidates for county or precinct chairman, a blank space shall be left on the ticket beneath the designation of such position.

Sec. 112. All county executive committees of organized political parties shall meet the first Saturday after each primary election to canvass the result of such election.

Sec. 113. It shall be the duty of the various county committees of any political party on the day and date set apart by this act for arranging for primary elections to determine the order in which the name of the various candidates for State or district offices shall appear on the ticket and said order shall be determined by lot so no preference shall be given to any candidate.

Sec. 114. An executive committee for a district assembled to canvass the votes at a primary election for the counties of the district for a district office, shall meet for such purpose on the third Saturday in August, A. D. 1906, and every two years thereafter, which shall be known as "district executive committee day," and immediately thereafter the chairman of each district executive committee shall certify to the Secretary of State the names of all nominees for district offices. Those who have received a majority of all the votes cast at said primary for the candidates for such office shall be declared and certified as such nominees.

Sec. 115. On the first Saturday after primary election day for 1906, and each two years thereafter, there shall be held in each county a county convention of each party, to be composed of one delegate from each precinct in such county for each twenty-five votes or a major fraction thereof cast for the party's candidate for governor at the last preceding election, which delegates shall be elected by the voters of each precinct on primary election day in such manner as may be prescribed by the county executive committee at their meeting on the second Monday in June, which convention shall select one delegate to the State convention for each three hundred votes or a major fraction thereof, cast for all candidates for governor in such county at the last preceding primary election, and the delegates to the said convention, so elected, or such of them as may attend the State convention shall cast the vote of the county in such State convention. Immediately upon the adjournment of each such county convention the presi-

dent thereof shall make out a certified list of delegates to the State convention chosen by such county convention and shall sign the same, the secretary of such convention attesting his signature, and shall forward such certified list by sealed registered letter to the chairman of the State executive committee, who shall present the same to the State committee at its meeting on the day prior to the convention, and from such certified list the State committee shall prepare a temporary roll of those selected as delegates to such convention; provided that no proxies shall be allowed to or recognized in any convention held by authority of this Act.

Sec. 116. All party State conventions to announce a platform of principles and announce nominations for Governor and State offices shall meet at such places as may be determined by the parties respectively on the second Tuesday in August, A. D. 1906, and every two years thereafter, and they shall remain in session from day to day until all nominations are announced and the work of the convention is finished.

Sec. 117. On primary election day in 1906 and every two years thereafter, candidates for Governor and for all other State offices to be chosen by a vote of the entire State, and candidates for Congress and all district offices to be chosen by the vote of any district comprising more than one county, to be nominated by each organized political party that cast one hundred thousand votes or more at the last general election, shall, together with all candidates for offices to be filled by the voters of a county or of a portion of a county, be nominated in primary elections by the direct vote of the qualified voters of such party. The chairman of the executive committee in each county shall, as soon as the vote cast in the primary election has been counted and canvassed as herein provided for, prepare a tabulated statement of the votes cast in his county for each candidate for each nomination for a State office, and of that cast for county chairman; as shown by the canvass made by the county executive committee, and shall immediately mail the same in a sealed envelope by registered letter to the chairman of the State executive committee, who shall present the same to the State committee at its meeting to be held on the day prior to the State convention as provided for; provided that the county executive committee may determine whether the nomination of county officers shall be by a majority or plurality vote in such county, and if by a majority vote, then the committee may

call as many such elections as may be necessary to make such nomination.

Sec. 118. Every certificate of nomination made by the president of the State convention or by the chairman of any executive committee must state when, where, by whom and how the nomination was made; and no name shall appear on the official ballot except that of a candidate who was actually nominated in accordance with the provisions of this act. No executive committee shall ever have any power of nomination except where a nominee has died or declined the nomination as provided in Section 50 of this act.

Sec. 119. On the Monday preceding the second Tuesday in August, 1906, and every two years thereafter, the State executive committee shall meet at the place selected for the meeting of the State convention on the following day and shall open and canvass the returns of the primary election as to nominations for State officers, as certified by the various county chairmen to the State chairman for each county, and shall ascertain the total number of votes received by each candidate for each State nomination upon the official ballot, and shall prepare a tabulated statement showing the number of votes received by each such candidate in each county, and the total number received by each in the entire State, which statement shall be approved by the State committee and certified by its chairman. At this meeting the State committee shall also prepare a complete list of the delegates elected to the State convention from each county as certified to the State chairman by each county chairman. The State chairman shall present said tabulated statement and said list of delegates to the chairman of the State convention immediately after its temporary organization on the following day, for its approval or disapproval.

Sec. 120. Those candidates for nomination for State offices who have received a majority of all the votes cast for all candidates for such nomination at the primary election, as shown by the returns thereof, and approved by the State convention, shall be declared the nominees of the party for such State offices. In case no candidate for a State office has received a majority of the votes cast in the primary election, then the State convention shall proceed to nominate a candidate for such office in the manner and upon the basis following.

Each candidate shall be entitled to such part of each county vote in the convention as the vote cast for him in each county bears to the entire vote cast in the primary election in that

county, the same to be ascertained from the returns made to the State executive committee by the county chairman, as provided for by this act, and each county delegation shall cast the vote of its county accordingly in its convention. At the end of each ballot cast, the candidate receiving the smallest vote shall be dropped from the list of candidates to be voted for on the next ballot. Each county delegation upon each ballot cast for candidates being voted for, shall cast for each of such candidates his pro rata part of the county vote, as above ascertained, as long as the name of such candidate is before the convention. Whenever the name of any candidate is withdrawn from the convention as above provided, then the delegation of each county may cast the instructed vote or any part thereof of such county for such withdrawn candidate for any other candidate whose name is then before the convention, as the delegation may decide. The convention shall continue to ballot until some one of the candidates balloted for shall receive a majority of all the votes of the convention, when he shall be declared the nominee of the party for the office for which he is nominated. Each county in the State convention shall be entitled to one vote for each three hundred votes or major fraction thereof, cast for the candidate for governor of the political party holding a convention at the last preceding general election.

In case at such general election there were cast for such candidate for governor less than three hundred votes in any county, then all such organized counties shall have one vote.

Sec. 121. On primary election day, when candidates for State, district, county and precinct offices are nominated the voters of each organized political party shall vote for a chairman of the county executive committee and the result shall be reported to the county clerk and the county chairman thus elected shall at once enter upon the discharge of the duties of such position; the said county chairman shall be ex officio a member of the executive committee of all districts of which his county is a part, and the district committee thus formed shall elect its own chairman; and all chairmen and members of the different executive committees in existence when this law becomes effective shall remain in office until their successors are elected, as provided herein.

Sec. 122. The places of holding primary elections and primary conventions by political parties in the various precincts of the State shall not be within one hundred yards of the place at which such elections or conventions are held by a different political party.

When the chairman of the executive committee of different parties can not agree on the places where precinct primary elections to be held on the same day shall be held such places in each precinct shall be designated by the county judge, who shall cause public notice thereof to be given at once in some newspaper in the county; or if there be none, by posting notices in some public place in the precinct.

Sec. 123. All the precinct primary elections of a party shall be conducted by a presiding judge to be appointed by a chairman of the county executive committee of the party with the assistance and approval of at least a majority of the members of the county executive committee. Such presiding judge shall select an associate judge and two clerks to assist in conducting the election; two (2) supervisors may be chosen by any one-fourth of the party candidates, who with the judges and clerks shall take the oath required of such officers in general elections. Two additional clerks may be appointed, but only when in the opinion of the presiding judge there will be more than one hundred votes polled at the primary election in the precinct. No one shall serve as judge, clerk or supervisor at a primary election unless he has paid his poll tax. The executive committee shall have general supervision of the primary in such county and shall be charged with the full responsibility for the distribution of all supplies necessary for holding same in each precinct to the presiding judge thereof. If the duly appointed presiding officer shall fail to obtain from the executive committee the supplies for holding such election such committee shall deliver the same to the precinct chairman for such precinct, and if unable to deliver the same to such presiding officer or precinct chairman not less than twenty-four hours prior to the time of opening the polls for such primary, such committee shall deliver the same to any qualified voter of the party residing in such precincts, taking his receipt therefor and appointing him to hold such election in case such presiding officer or precinct chairman shall fail to appear at the time prescribed for opening the polls.

Sec. 124. No official ballot either for a primary or general election shall have on it any symbol or device or any printed matter except that which is authorized by law, and no ballot cast in violation of this section shall be counted for any candidate. Provided, that the executive committee of the party for any county shall print on the primary ticket the names of all persons whose names, not less than thirty days prior to the day of the

primary shall be requested to be printed thereon as candidates for United States Senator, and the executive committee shall forward to each nominee of the party for State Senator and Representatives voted for by the others of such county, a certified statement of the vote cast in the county for each such candidate.

Sec. 125. The polls at primary election shall be open at eight o'clock in the morning and closed at seven o'clock in the evening of the same, and the election shall be held for one day only.

Sec. 126. Any one-fourth of the candidates whose names appear on the official ballot may on the day preceding the election or prior thereto, agree in writing signed by them upon two supervisors who when selected shall be sworn as election officers and while the election is being held they shall remain in view of the ballot boxes until the count is concluded, and they shall report any fraud or irregularity occurring to the next grand jury.

Sec. 127. The law prohibiting the sale of intoxicating liquor on election day applies to primary elections with all its prohibitions, and the officers of primary elections shall not, on primary election day, partake of spirituous, vinous, malt or intoxicating liquors after the polls are open.

Sec. 128. The voting booths, ballot boxes and guard rails prepared for a general election may be used by the organized political party nominating by primary election that cast over one hundred thousand votes at the last preceding general election.

Sec. 128a. Each and every incorporated town and city in the State of Texas, whether incorporated under general or special laws, may make nominations for office in the following manner: In each of said cities and towns there shall be an executive committee for each political party, consisting of a city chairman and one member for each ward in said city or town, and in case said city or town is not divided into wards, then there shall be selected four members of said committee in addition to the city chairman. In all cities and towns which now have a duly selected executive committee the same shall serve until the next city election, and in cities and towns having no executive committee the county chairman of the political party desiring to make nominations in such cities and towns shall appoint an executive committee to serve until the next city election shall be held, and in each city and town in this State in which a political party may desire to make nominations there shall be held on the first Tuesday in

March, 1906, and annually thereafter, an election at which there may be nominated by each political party, officers to be selected at the next city election, and at which said election there shall be selected the executive committee for said city and town herein provided for, and in all such city primary elections the provisions of the law relating to primary elections and general elections shall be observed. The executive committee herein provided for may decide whether or not nominations shall be made by such political party in such city or town, and in case it is decided that no nomination shall be made such executive committee shall call a meeting of the members of such political party on the first Tuesday in March of each year, at which a new executive committee shall be selected to serve during the ensuing term; provided, that this act shall not be construed to prevent independent candidates for city offices from having their names upon the official ballot, as provided for in Section 97 of this act.

Sec. 129. The county tax collector shall deliver to the chairman of the county executive committee of each political party, for its use in primary election, at least five days before election day, certified lists of the qualified voters of each precinct in the county, arranged by precincts, who have paid their poll tax or received certificates of exemption, and it shall be the duty of such chairman to place the same in the hands of the election officers of each election precinct before the polls are open, and no primary election shall be legal unless such list is obtained and used for reference during the election. For each list of all the qualified voters of the county who have paid their poll taxes and received their certificates of exemption, the collector shall be permitted to charge not more than five dollars, the same to be paid by the party or its chairman so ordering said lists; provided, that the charge of five dollars shall be in full for the certified lists of all the voters of the county arranged by precincts, as above provided.

Sec. 130. All ballots given to the election judges of the precinct by the executive chairman or some member of the executive committee shall be used and accounted for as in general elections.

Sec. 131. All returns of precinct primary elections properly signed and certified as correct by the judges and clerks thereof, showing the vote cast for each candidate, shall be sealed and immediately delivered after such primary election to the chairman of the county executive committee of the

party. Such party chairman shall give notice to the members of the county executive committee to assemble at the county seat of the county on the first Saturday after the first primary election, and said returns shall then be opened under the direction of such executive committee and canvassed by them. They shall then make a list of the candidates who have received the highest vote for office and the chairman of the executive committee shall certify to the same and deliver it to the county clerk of the county, who shall cause the names of the candidates who have received the highest vote for each office to be printed in some newspaper published in the county, and if no newspaper be published in a county then he shall post a list of such names in at least five public places in the county, one of which shall be upon the door of the court house in said county; provided, that all objections to the regularity or validity of the nomination of any person whose name appears in said list shall be made within five days after such printing or posting by a notice in writing filed with the county clerk, setting forth the grounds of objections. In case no such objection is filed within the time prescribed, the regularity or validity of the nomination of no person whose name is so printed or posted shall be thereafter contested. After said names have been so printed or posted for the period above required, the said clerk shall cause said names to be printed on the official ballot in the column for the ticket of that party; provided, that as to candidates for Governor or for an office to be filled by all the voters of the State or of any district composed of more than one county, the chairman of the county executive committee and its secretary shall certify the number of votes cast for each of such candidates and cause the same to be published in some newspaper of the county, if there be one, and deliver his certificate of the vote cast for each candidate for such office to the president of the next State convention of the party in the manner required elsewhere in this act, and certify the vote cast for each district office to the chairman of the district committee; provided, that nothing in this section shall prevent the holding of the county convention at the time named in this section for the meeting of the executive committee for the purpose of counting and declaring the result, but the chairman of the executive committee shall certify the result as above required.

Sec. 132. It shall be the duty of the county clerk of each county to post in a conspicuous place in his office for

the inspection and information of the public the names of all candidates that have been lawfully certified to him to be printed on the official ballot for at least ten days before he orders the same to be printed on said ballot, and he shall order all the names of the candidates so certified printed on the official ballot as herein otherwise provided, and in case the county clerk refuses or wilfully neglects to comply with this requirement he shall be guilty of a misdemeanor, and shall be punished by a fine of not less than two hundred dollars nor more than five hundred dollars, or to hard labor on the public roads of the county in which the offense was committed, for any period of time not less than sixty days nor more than one year, or both of such penalties.

Sec. 133. If on counting the vote in a primary election it shall appear that the largest vote has been cast for two candidates for the same office and that they have each received the same number of votes, the chairman of the executive committee shall in the presence of the executive committee or the county convention (as the case may be) cast lots for the nomination in such manner as they may direct and in the presence of the rival candidates if they desire to be present and declare and certify the result of that candidate who is successful by lot. Any person who, while holding a public office, or seeking a nomination or appointment thereof, corruptly uses or promises to use, directly or indirectly, any official authority, or influence possessed or anticipated, in any way to aid any person in securing an office or public employment, or any nomination, confirmation, promotion, appointment, or increase of salary, upon consideration that the vote or political influence or action of the person so to be benefited, or of any other person, shall be given or used in behalf of any candidate, officer, or party, or upon any other corrupt consideration, is guilty of a misdemeanor.

Sec. 193. Any head of any of the departments of State, or other public officer, who shall demand or receive any money or thing of value from any clerk or other person in his office, for his election expenses, or to reimburse him for money already expended, or who shall remove from any office any competent clerk who declines to make such contribution, shall be deemed guilty of a misdemeanor.

Sec. 194. Any person who knowingly and willfully procures from any court, clerk or other officer a certificate of naturalization, which has been allowed, signed or sealed in violation of the laws of the United States or of this State, with intent to enable him or any other person to vote at any election, when he or such person is not entitled by the laws of the United States to become a citizen or to exercise the elective franchise, is guilty of a felony, and upon conviction shall be punished by confinement in the penitentiary not less than five nor more than ten years.

tion or special laws of this State, except as herein specially provided and set forth.

Sec. 196. The importance of this act to the people of the State, and the great amount of legislative work that will be on the calendar for this session, rendering the passage of important acts doubtful, creates an emergency and imperative public necessity requiring that the constitutional rule requiring bills to be read on three several days be suspended, and the said rule is hereby suspended.

Senator Looney moved that the amendment, offered by him, to House bill No. 8, be printed in the Journal only one time. The motion was adopted.

On part of the Senate.

COBBS,

MAYS,

On part of the House.

The report was read and, on motion of Senator Stafford, adopted.

I dissent from the majority report of the free conference committee upon House amendments to Senate bill No. 6, known as the banking bill, for the following reasons:

In the House I offered the following amendment to the bill, which was adopted, to wit:

"Amend section 80 by adding at the end thereof the following: 'The rights, privileges and powers conferred by the terms of this act to corporations taking advantage thereof or incorporating hereunder, are to be held subject to the right of the Legislature to amend, alter or repeal the same.'"

The free conference committee amended this amendment by striking out the words "repeal" and inserting in lieu thereof the word "reform." I believe the reservation of the power to repeal from the highest considerations of public policy should be retained by the Legislature, and especially so when considered with reference to the institutions authorized by the terms of the bill, whose powers are unlimited and whose life tenure is fixed at fifty years.

#### TELEGRAM FROM TEXAS PRESS ASSOCIATION.

The Chair had read the following telegram:

Brownwood, Texas, May 11, 1905.  
Hon. George D. Neal, President Senate, Austin, Texas.

Whereas, it has come to the knowledge of the Texas Press Association in convention assembled that the pending State election bill will throw the

printing of all election supplies for the entire State to one firm; and

Whereas, we believe that such a law would not be to the best interest of the State and unjust to many worthy printing establishments; therefore, be it

Resolved, that we earnestly request the support of the Senate and House of Representatives to an amendment to said bill that will allow each county to print its own election supplies of all kinds.

Resolved, that the Secretary be instructed to wire these resolutions to the respective legislative bodies over the signature of the president and secretary of this association. Adopted.

S. J. THOMAS,

President Texas Press Association.

T. B. LUSK,

Secretary Texas Press Association.

#### BILLS SIGNED BY THE CHAIR.

House bill No. 15, a bill to be entitled "An Act to amend Sections 1 and 3 of Chapter 4 of the special acts of the first called session of the Twenty-eighth Legislature, approved April 28, 1903, entitled 'An Act to authorize the city of Austin to enter into certain contracts and to sell, transfer or lease certain of its property, property rights and franchises, in order to secure a more economical and satisfactory water, light and power system for the use of the people of said city,' and providing further that this act shall not interfere with or abrogate a certain contract with the State of Texas."

House bill No. 16, a bill to be entitled "An Act to authorize any county bordering on the Gulf of Mexico to purchase or lease a roadway for public purposes from any company owning or operating a causeway and bridge that may be constructed across any bay or arm of the sea that is over one mile in width and that separates an island in such county from the mainland thereof, and making provisions for paying for or leasing such roadway."

Senate concurrent resolution No. 1:  
Whereas, the United States of

America is essentially a commercial world power, rapidly extending her arms of commerce and trade into every habitable portion of the globe; and

Whereas, the Panama canal is now a reasonably assured fact, thereby placing the gulf ports of Texas thousands of miles nearer the markets of the eastern hemisphere, while the great railroads of the United States, realizing the future importance of these ports, are rapidly transposing their east and west systems of lines to that of north and south, thereby taking advantage of the changing courses of commerce, even extending into Mexico and Central America; and

Whereas, Mexico, Central and South America, a rich field of commerce lying at the very door of the United States, are courting our friendship, and are anxious to enter into more extended and amicable trade relations with us; and

Whereas, Texas is the natural gateway, both by sea and land, to said southern republics, through which the interchange of commerce between the countries of the western hemisphere must, by reason of her location and situation, pass; and

Whereas, the Twenty-seventh and Twenty-eighth Legislatures of this State adopted the report of a special committee on Pan-American relations, which recommended the establishment of a Pan-American trades college upon the gulf coast of Texas, as a means of encouraging trade relations between the United States and said southern republics; therefore, be it

Resolved, the House of Representatives concurring, that a special committee of three members of this Senate be appointed to act in conjunction with a like committee from the House for the purpose of investigating the best methods of encouraging our trade relations with other countries to the south of us and the advantages to be derived therefrom by the United States and especially by the State of Texas.

That said committee report back to the Senate and House, with recommendations, if any, what steps should be taken to bring about the consummation of the projected Pan-American trades college by the governments of the Pan-American republics.

#### ADJOURNMENT.

Senator Smith moved that the Senate recess till 8 o'clock.

Senator Terrell moved that the Senate adjourn till tomorrow morning at 9 o'clock.

Action being on the longest time first the motion to adjourn till tomorrow morning was adopted.

Towns and villages incorporated in accordance with Chapter 2, Title XVIII, of the Revised Civil Statutes of 1895, and cities and towns incorporated under Chapter 1, Title XVIII, Revised Statutes of 1895, shall not necessarily constitute election precincts and no precinct shall be made out of parts of two wards. Each receipt and certificate shall in each such book be bound immediately over a duplicate copy thereof, which duplicate copy, when filled out, shall correspond with the receipt or certificate in its number, the name, length of residence in the State or county, the voting precinct, race, occupation and postoffice address of the citizen to whom the tax receipt or certificate of exemption is given. If the voting is in a city, the receipt or certificate and duplicate must show the ward, street and number, if numbered, of the citizen's residence (in lieu of postoffice address), and the length of time he has resided in such city. The receipts and certificates shall be numbered in consecutive order. Similar blank books of poll tax receipts shall be furnished to each unorganized county attached to such county for judicial purposes, except that the voting precinct need not appear therein. When the tax receipt or certificate is delivered to the citizen it shall be detached from the book and retained by him for his future use and identification in voting.

Sec. 15. Before the 1st day of April every year the county collector of taxes shall deliver to the board that is charg-

ed with the duty of furnishing election supplies separate certified lists of the citizens in each precinct who have paid their poll tax or received their certificates of exemption, the names being arranged in alphabetical order and to each name its appropriate number, as shown by the duplicates retained in his office, with a description of the voter as to his residence, his voting precinct, length of his residence in the State and county, his race, occupation and postoffice address if not in a city of more than ten thousand inhabitants. Sec. 21. If a citizen in a city of ten thousand inhabitants after receiving his poll tax or certificate of exemption removes to another ward in the same city before the next election he may vote at any general election in the ward of his new residence by presenting his poll tax receipt or certificate of exemption to the precinct election judges or by making affidavit that it has been lost or misplaced, which affidavit shall be left with the judges and be forwarded with the election returns. But in all such cases if the removal was to the ward of his new residence in the same city before the certified list of voters was delivered to the precinct judges he shall appear before the collector of taxes not less than five days before such election or primary election, and obtain a corrected receipt or certificate and his name shall be added to the list of voters for the precinct of his new residence, and he shall not vote in that event unless his name appears on the certified list of voters.

Sec. 23. Every male person who will be twenty-one years old on or before the day of an election and was not subject to a poll tax preceding the election at which he desires to vote, and who by reason of minority has not theretofore been subject to a poll tax, but has or will become twenty-one years old on or before the date of any election, and who possesses all the other qualifications of a voter, shall be entitled to vote at such election, if he has obtained a certificate of exemption from the county collector before the first day of February, which shall specify the day when he will be twenty-one years old, and contain all the other requisites of a certificate of exemption. Before the certificate of exemption shall issue the applicant therefor shall make written affidavit of his age to be administered and certified to by the county collector, who shall file and preserve the same.

Sec. 24. The county collector is authorized to administer oaths and certify thereto under the seal of his office in every case where an oath is required in complying with any portion of this act connected with his official duties.

Sec. 25. If a person residing in a city of ten thousand inhabitants who is subject to pay a poll tax intends to leave the precinct of his residence before the first day of October with the intention not to return until after the first day of the following February and does not return before that time, he shall be entitled to vote, if possessing all other legal qualifications by paying his poll tax or obtaining his certificate of exemption through an agent authorized by him in writing, which shall state truly his intention to depart from the precinct, the expected period of his absence, and every fact necessary to enable the tax collector to fill the blanks in his receipt. Such authority in fact must be sworn to by the citizen and certified to by

some officer authorized to administer oaths. It shall be deposited with the tax collector and kept in his office, who shall also retain the possession of the tax receipt or certificate until he delivers it in person to the citizen, and in no event shall the agent receive it.

Sec. 26. If the county collector does not personally know one who applies to pay his poll tax or secure his certificate of exemption from its payment, as being a resident in the precinct which such persons claims as that of his residence, it shall be the duty of such collector to require proof of such residence, and if he has reason to believe such person has falsely stated his age, occupation, precinct of his residence, or the length of his residence in the State, county and city, he shall require proof of such statement, and if on inquiry he is satisfied that said person has sworn falsely, he shall make a memorandum of the word used in such statement and present the same to the foreman of the next grand jury.

Sec. 27. No one shall knowingly give money to a citizen to pay his poll tax, nor shall any one keep the poll tax receipt of another person in his possession or under his control, except in cases specially authorized by law.

Sec. 28. On or before the tenth day of March of each year the collector of taxes shall make statement to the county clerk showing how many poll tax receipts he has issued; said statement shall show how many poll tax receipts have been issued and to whom issued in each voting precinct in the county, and such statement shall become a record of the county commissioners court.

Sec. 29. The county collector shall keep securely in a safe place the duplicates for each precinct from which poll tax receipts and certificates of exemption have been detached, and they must remain there except when taken out for examination, which must always be done in his presence, but they shall be burned by the county judge at the expiration of three years.

#### Writs of Election.

Sec. 30. Notice shall be given to the people of all elections for State and district officers, electors for President and Vice President of the United States, members of Congress, members of the Legislature and all officers who are elective every two years. Such notices shall be by proclamation by the Governor ordering the election, not less than thirty days before the election, issued and mailed to the several county judges.

Sec. 31. The county judge, or if his office is vacant, or if he fails to act,

then two of the county commissioners shall order an election for county and precinct officers and all other elections which under the law the county judge may be authorized to order. The county judge or county commissioners, as the case may be, shall issue writs of election ordered by him or them, in which shall be stated the office or offices to be filled by the election or the question to be voted on, or both, as the case may be, and the day of election. A failure from any cause on the part of the Governor or the county judge or commissioners court, or of both, to order or give notice of any general election shall not invalidate the same if otherwise legal and regular.

Sec. 32. The Secretary of State shall at least thirty days before the general election furnish to the county judge of each county a sufficient number of election returns, instruction cards, distance markers and such other stationery and printing as is to be furnished by the State, necessary to conduct said election in such county, not, however, to include the official ballot.

#### Notice of an Election.

Sec. 33. The county judge, or if he fails to act, then two county commissioners, shall cause notice of a general election or any special election to be published by posting notice of election at each precinct thirty days before the election, which notice shall state the time of holding the election, the office to be filled, or the question to be voted on, as the case may be; provided, that in local option, stock law and road tax elections the notices of elections or any other special election specially provided for by the laws of this State shall be given in compliance with the requirements of laws heretofore or hereafter enacted governing said elections respectively, and provided also that if a vacancy occurs in the State Senate or House of Representatives during the session of the Legislature or within ten days before it convenes, then twenty days notice of a special election to fill such vacancy shall be sufficient. Posting of notice of an election shall be made by the sheriff or a constable, who shall make return on a copy of the writ how and when he executed the same.

Sec. 34. In all city, town and village elections the mayor, or if he fails to, then the board of aldermen or the officials in whom authority is vested by law, shall order elections pertaining alone to municipal affairs, give notice and appoint election officers to hold the election unless a different method be prescribed by the charter of such city, town or village; but in all cases

supervisors may be selected as in general elections and the judges and clerks shall each be selected from different political parties when practicable.

Sec. 35. In all cases of vacancy in a civil office in the State, caused by death or resignation or otherwise, the vacancy of which is to be filled by election, the officer or officers authorized by this act to order elections shall immediately make such order, fixing the day, not exceeding thirty days after the first public notice of such order to fill the unexpired term.

#### Election Returns.

Sec. 36. Returns of elections shall be made under existing law contained in Articles 1743 to 1749, inclusive, and Articles 1753 to 1766, inclusive, of the Revised Statutes of Texas of 1895, and also Articles 1813 to 1815, inclusive, of said Revised Civil Statutes of Texas, as amended by Chapter 26 of the General Laws of the Twenty-fifth Legislature, except as herein otherwise provided.

#### Election Supplies.

Sec. 37. Voting booths shall be furnished and used at elections at each voting precinct in towns or cities of ten thousand inhabitants or more.

Sec. 38. There shall be one voting booth or place for every seventy citizens who at the last general election paid their poll tax or obtained certificates of exemption from its payment, and who reside in the voting precinct; provided, the judges of the election may provide as many more booths and places as they shall deem necessary. Each polling place, whether provided with voting booths or not, shall be provided with a guard rail, so constructed and placed that only such persons as are inside of such guard rail can approach the ballot boxes or compartments, places or booths at which the voters are to prepare their votes, and that no person outside of the guard rail can approach nearer than six feet of the place where the voter prepares his ballot. The arrangement shall be such that neither the ballot boxes nor voting booths nor the voters while preparing their ballots shall be hidden from view of those outside the guard rail, or from the judges, and yet the same shall be far enough removed and so arranged that the voter may conveniently prepare his ballot for voting in secrecy. There shall be provided in each voting place voting booths where voting booths are required, with three sides closed and the front side open. Each booth shall be twenty-two inches wide on the inside, thirty-two inches deep and six feet

four inches high, and shall contain a shelf for convenience of the voter in preparing his ballot, and the booths shall be so constructed with hinges that it can be folded up for storage when not in use. The county judge, county clerk and sheriff shall constitute a board, a majority of whom may act to provide the supplies to be furnished and paid for by the State as provided in Section 149 of this act and the county judge and any member of the commissioners court in case of his failure or refusal to act shall make requisition on the Secretary of State for the supplies necessary to hold and conduct the election that are to be paid for by the State as mentioned in Section 149; all of which shall be delivered to the presiding judges of the election by the sheriff or any constable of the county when not called for and obtained in person by the precinct judges.

Sec. 39. For all supplies furnished by the county, said board shall file with the county commissioners court a written report of their action, giving detailed statement of the expenses incurred in procuring such supplies.

Sec. 40. Every guard rail shall be provided with a place for entrance and exit. The arrangement of the polling place shall be such that the booths or places prepared for voting can only be reached by passing within the guard rail, and the booths, ballot boxes, election officers and every part of the polling place, except the inside of the booths, shall be in plain view of the election officers and persons outside the guard rail, among whom may be one challenger for each political party and no more.

Sec. 41. The voting booth shall be so arranged that there shall be no access to them through any doors, window or opening except through the front of the booth, and the same care shall be observed in precincts where there are no booths, in protecting the voter from intrusion while he is preparing his ballot.

Sec. 42. When voting booths are not required, a guard rail shall be so placed that no one not authorized can approach nearer than six feet of the voter, while he is preparing his ballot, and a shelf for writing shall be prepared for him, with black lead pencil, and so screened that no other person can see how he prepares his ballot. All booths and voting places shall be properly lighted.

Sec. 43. For each election precinct there shall be provided four ballot boxes to be marked as follows: "Ballot box No. 1 for election precinct No. ...." (giving name and number of precinct); "Ballot box No. 2 for election precinct No. ...;" "Ballot box No.

3 for election precinct No. ...;" "Ballot box No. 4 for election precinct No. ..."

Sec. 44. The official ballots to be counted before delivery and sealed up and together with the instruction cards, with poll lists, tally sheets, distance markers, returning blanks and stationery, shall be delivered to the precinct judges, and the number of each indorsed on the package, and entered of record by the county clerk in the minutes of the commissioners court. In like manner shall be sent the list of qualified voters for the precinct, certified to by the collector, if the presiding judge has not already received it.

Sec. 45. If from any cause ballot boxes, voting booths, guard rails or other election supplies have not been received by the presiding judge, he shall procure them, and they shall be paid for as other election supplies, and if the certified list of qualified voters is not in his possession at least three days before the election, he shall send for and procure them; provided, that in all elections in incorporated cities, towns and villages, the mayor, the city clerk, the board of commissioners or aldermen, shall do and perform each and every act in other election required to be done and performed respectively by the county judge, the county clerk or the county commissioners court, and the expense of all city elections shall be paid by the city in which same are held.

#### The Official Ballot.

Sec. 46. No ballot shall be used in voting at any general, primary or special election held to elect public officers, select candidates for office or determine questions submitted to a vote of the people, except the official ballot, unless otherwise authorized by law. At the top of the official ballot shall be printed in large letters the words "Official Ballot." It shall contain the printed names of all candidates whose nomination for an elective office have been duly made and properly certified. The names shall appear on the ballot under the title of the party that nominates them, except as otherwise provided by this act.

Sec. 47. If from any cause the official ballot furnished for an election precinct have been exhausted or not delivered to the precinct judges, the voters may provide their own ballot after the style of the official ballot described in this act.

Sec. 48. For each voting precinct there shall be furnished one and a half times as many official ballots as there are qualified voters in the precinct, as shown by the list required to

be furnished by the tax collector to precinct judges.

Sec. 49. The name of no candidate shall appear more than once upon the official ballot, except as a candidate for two or more offices permitted by the Constitution to be held by the same person. The name of the candidate nominated by any political party shall appear on the ballot and under head of the party making such nomination.

Sec. 50. A nominee may decline and annul his nomination by delivering to the officer with whom the certificate of his nomination is filed ten days before the election, if it be for a city office, and twenty days in other cases a declaration in writing, signed by him before some officer authorized to take acknowledgements. Upon such declination (or in case of death of a nominee) the executive committee of a party or a majority of them for the state, district or county, as the office to be nominated may require, may nominate a candidate to supply the vacancy by filing with the Secretary of State in the case of State or district officers, or with the county judge in the case of county or precinct officers, a certificate duly signed and acknowledged by them, setting forth the cause of the vacancy, the name of the new nominee, the office for which he was nominated, and when and how he was nominated. Thereupon the Secretary of State or county judge, as the case may be, shall promptly notify the official board created by this act to furnish election supplies that such vacancy has occurred and the name of the new nominee shall then be printed upon the official ballot, if the ballots are not already printed. If such declination or death of the nominee occurs after the ballots are printed or due notice of the name of the new nominee is received after such printing, the official board charged with the duty of furnishing election supplies shall prepare as many pasters bearing the name of the new nominee as there are official ballots, which shall be pasted over the name of the former nominee on the official ballot before the presiding judge of the precinct indorses his name on the ballot for identification. If a nominee dies or declines the nomination before the election and no one is nominated to take his place, the votes cast for him shall be counted and return made thereof, and if he shall have received a plurality of the votes cast for the office, the vacancy shall be filled as in case of a vacancy occurring after the election. No paster shall be used except as herein authorized, and if otherwise used the names pasted shall not be counted.

Sec. 51. At the election of school

district officers or school officers for a city, town or village, at which no other officer is to be elected, or election of officers of fire departments, any ballot may be used prescribed by local authorities.

Sec. 52. The name of no candidate of any political party that cast one hundred thousand votes or more at the last preceding general election shall be printed on any official ballot for a general election unless nominated by primary election, on primary election day, except as herein otherwise provided.

Sec. 53. All ballots shall be printed with black ink on clear white paper of sufficient thickness to prevent the marks thereon to be seen through the paper, and of uniform style. The tickets of each political party shall be placed or printed on one ballot, arranged side by side in columns separated by parallel rule. The space which shall contain the title of the office and the name of the candidate (or candidates, if more than one is to be voted for for the same office) shall be of uniform style and type in said tickets. At the head of each ticket shall be printed the name of the party. When a party has not nominated a full ticket the titles of those nominated shall be in position opposite to the same office in a full ticket and title of the offices shall be printed in the corresponding position in spaces where no nominations have been made. In the blank columns and independent columns, the titles of the offices shall be printed in all blank spaces to correspond with a full ticket. When presidential electors are to be voted on their names shall appear at the heads of their respective tickets. When a constitutional amendment or other propositions are to be voted on the same shall appear once on each ballot in uniform style and type. When a voter desires to vote a ticket straight he shall run a pencil or pen through all other tickets on the official ballot, making a distinct marked line through such ticket not intended to be voted, and when he shall desire to vote a mixed ticket shall do so by running a line through the names of such candidates as he shall desire to vote against in the ticket he is voting, and by writing the name of the candidate for whom he desires to vote in the blank column and in the space provided for such office, same to be written with black ink or pencil, unless the name of the candidates for whom he desires to vote appear on the ballot, in which event he shall leave the same not scratched.

Sec. 54. When a constitutional amendment or other question submitted by the Legislature is to be voted

on, the form in which it is submitted shall be described by the Governor in his proclamation in such terms as to give the voter a clear idea of the scope and character of the amendment, and printed once at the bottom of each ballot as described by this act the words "for" and "against" under it; provided, the Legislature has failed to prescribe a form. If a proposition or question is to be voted on by the people of any city, county or other subdivision of the State, the form in which such proposition shall be voted on shall be prescribed by the local or municipal authority submitting it.

#### Opening the Polls.

Sec. 55. The judges and clerks of election for each precinct (and supervisors, if any have been selected) shall meet at the polling place at least half an hour before the time for opening the polls, and shall proceed to arrange the guard rail, the space within the guard rail, the voting booths (if any) and the furniture for the orderly and legal conduct of the election. The judges of election shall then examine the ballot boxes required for the reception of the ballots and the blank official ballots, and shall deposit such ballots as are found to be defective in printing in ballot box No. 4 for mutilated or returned ballots. They shall also examine the sample ballots, instruction cards, distance markers, tally sheets, return sheets, certified lists of voters, rubber or wooden stamps, and all things required for the election; but the package containing the official ballots shall not be opened until the morning of the election and at the polling place. One instruction card shall be posted near each distance marker, where it can be read by citizens before voting. The package of official ballots shall remain in the custody of the judges and the polling clerks. The judges shall cause to be placed at the distance of one hundred feet from the entrance of the room at which the election is held, visible distance markers in each direction of approaches to the polls on each of which shall be printed in large letters the words "distance markers." "No electioneering or loitering between this point and the entrance to the polls." The judges shall examine the ballot boxes and then relock them, after all present can see they are empty. The instruction card and distance markers shall be posted up and shall not be defaced or removed during the progress of the election. The ballot clerks with official ballots, the presiding officer of the election, the poll clerk, the election supplies and the certified

lists of qualified voters for the precinct, and the supervisors, if there are any, shall be as conveniently near each other as practicable within the polling place.

Sec. 56. Before opening the polls the presiding judge of election shall, in an audible voice, take the following oath or affirmation, which shall be uttered slowly and distinctly, and each of the other judges and clerks shall repeat the same after him: "I solemnly swear (or affirm) that I will not in any manner request or seek to persuade or induce any voter to vote for or against any particular candidate or candidates, or for or against any proposition to be voted on; that I will not keep or make any memoranda or entry of anything occurring within the booths or polling places, as the case may be, nor disclose how any one whom I am permitted to assist in voting has voted, except I be called on to testify in a judicial proceeding; and that I will faithfully perform this day my duty as officer of the election, and guard as far as I am able the purity of the ballot box, so help me God." Before the election begins one instruction card shall be posted up in each voting booth where it can be read, and when there are no voting booths one shall be posted up in plain view at the place prepared for the voter to make out his ballot.

#### Officers of Election; Their Powers and Duties.

Sec. 57. The county commissioners court shall at the February term appoint among the citizens of each voting precinct, in which there are less than one hundred voters who have paid their poll tax and received their certificates of exemption, two reputable men, who are qualified voters, as judges of election. They shall be selected from different political parties, if practicable, and shall continue to act until their successors are appointed. When the bounds of the precinct are changed so that one or more judges reside outside of the precinct for which they were appointed, the court shall appoint others to supply his or her place. One of the judges, who shall in all cases belong to the party that at the last general election cast the largest vote for Governor throughout the State, shall be designated as the presiding judge at elections; he shall appoint two competent and reputable clerks of different political parties, if practicable, who are qualified voters, to act as clerks of the election. The order appointing all judges shall be entered of record. The presiding judge shall act in receiving

and depositing the votes in the ballot boxes and the other judge shall act in counting the votes cast; one of the clerks shall keep the poll list and list of qualified voters, and upon the poll list he shall write at the time of voting the name and number of each voter; the other clerk shall act as canvassing clerk and shall keep the tally list of votes counted; said officers shall perform such other duties as the presiding judge may direct.

Sec. 58. For every precinct in which there are one hundred male citizens or more who have paid their poll tax or received their certificates of exemption, the commissioners court shall appoint four judges of election, who shall be chosen when practicable from opposing political parties, one of whom shall be designated as presiding judge. The presiding and one associate judge shall act in receiving and depositing the votes in the ballot box, and the other two judges shall act in counting the vote cast. The presiding judge shall appoint four competent and reputable clerks, who have paid their poll tax, and of different political parties when practicable; two of said clerks shall assist in keeping poll lists and the list of qualified voters; upon the poll lists they shall write the name and number of each voter, and at the time voted. Two clerks shall be canvassing clerks, who shall keep tally lists of votes counted, and perform such other duties as the presiding judge may direct. At the close of the canvassing and during its progress, the tally clerks shall compare their tally lists and certify officially to their correctness. Provided that in all elections held under the provisions of this act other than general elections, local option elections and primary elections, the officers to be appointed by the commissioners court to hold said elections shall be a presiding judge, and assistant judge and two clerks, whose compensation shall be two dollars per day, and two dollars to the presiding judge extra for making return of the election.

Sec. 60. The chairman of the county executive committee for each political party that has candidates on the official ballot, or if he fails to act, any three members of such committee may, not less than five days before the general election, nominate one supervisor of election for each voting precinct, who has paid his poll tax, by presenting his name to the county judge, who shall indorse his approval on the certificate of his nomination, if he is a reputable citizen, but not otherwise. And thereupon on his presenting such nomination and its approval to the presiding judge of the precinct he shall be permitted to sit conveniently near the judges, so

that he can observe the conduct of the election, including the counting of the votes, the locking and sealing of the ballot boxes, their custody and safe return. He shall not be permitted to enter into any conversation with the judges or clerks, regarding the election while it is progressing, except to call the attention of the judges or clerks to any irregularity or violation of the law that he may observe. Before he shall be permitted to act as supervisor he shall take an oath to be administered by the presiding judge that he will mention and note any errors he may see in testing or counting the votes and that he will well and truly discharge his duties as supervisor impartially and will report in writing all violations of the law and irregularities that he may observe to the next grand jury.

**Who Prohibited from Being Elected Judges or Clerks or Members of Executive Committee.**

Sec. 61. No one who holds an office of profit or trust under the United States or this State, or in city or town in this State, except a notary public, or who is a candidate for office or who has not paid his poll tax, shall act as judge, clerk, or supervisor of any election; nor shall any one act as chairman or as member of an executive committee either for the State or any district or county, who has not paid his poll tax, or who is a candidate for office, or holds any office of profit or trust under either the United States or this State, or in any city or town in this State, except a notary public.

**Method of Conducting Elections.**

Sec. 62. A general election shall be held on the first Tuesday after the first Monday in November, A. D. 1906, and every two years thereafter, at such place as may be prescribed by law, after notice given as prescribed by law.

Sec. 63. Special elections shall be held at such times and places as may be fixed by law providing therefor.

Sec. 64. In all cases, except treason, felony or breach of peace voters shall be privileged from arrest during their attendance at elections, and in going to and returning therefrom.

Sec. 65. In all elections, general, special or primary, the polls shall be open from eight o'clock in the morning until seven o'clock in the evening, and the election shall be held for one day only.

Sec. 66. No election judge, clerk or other person connected with the holding of an election, shall on election day indicate by words, sign, symbol or writing to any citizen, how he shall or should not vote; provided, nothing herein shall in-

terfere with the operation of Section 83 of this act.

Sec. 67. No citizen shall be permitted to vote unless he first presents to the judge of election his poll tax receipt or certificate of exemption issued to him before the 1st day of February of the year in which he offers to vote, except as otherwise permitted in this act, unless the same has been lost or mislaid, or left at home, in which event he shall make an affidavit of that fact, which shall be left with the judges and sent by them with the returns of the election; provided, that if since he obtained his receipt or certificate he removes from the precinct or county of his residence he may vote on complying with other provisions of this act.

Sec. 68. Judges of election are authorized to administer oaths to ascertain all facts necessary to a fair and impartial election. The presiding judge of election, while in the discharge of his duties as such, shall have the power of the district judge to enforce order and keep the peace. He may appoint special peace officers to act as such during the election and may issue warrants of arrest for felony, misdemeanor or breach of peace committed at such election, directed to the sheriff or any constable of the county, or such special peace officer, who shall forthwith execute any such warrants, and if so ordered by the presiding judge confine the party arrested in jail during the election or until the day after the election, when his case may be examined into before some magistrate, to whom the presiding judge shall report it; but the party arrested shall first be permitted to vote, if entitled to do so; provided, that if said party is drunk from the use of intoxicating liquor he shall not be permitted to vote until he is sober.

Sec. 69. Before the balloting begins the presiding judge shall unlock ballot box No. 1, and after all the officers of the election and supervisors have inspected the same to see that it is empty, relock it and place it within view, where it shall remain until removed to make room for ballot box No. 2. A like examination shall be made of ballot box No. 2. All the boxes shall be securely made of metal or wood, provided with a top, hinges, lock and key, and an opening shall be made at the top of each just large enough to receive a ballot when polled.

Sec. 70. In ballot box No. 4 shall be deposited, in addition to ballots defectively printed, all defaced and mutilated ballots, and when the polls are closed all the ballots that have not been voted. The box shall be locked and so returned sealed to the county clerk, with a statement which shall

be placed therein signed by the presiding judge of the number of ballots received by him, the number of mutilated or defaced ballots that the box contained, and also the number of ballots not given to voters, as well as those defectively printed, so that after adding such numbers all ballots delivered to the election officers may be accounted for. Such ballot box shall when the returns of votes cast are canvassed by the commissioners court be opened, the ballots counted and a record made of what they have found to be its contents.

Sec. 71. Any judge may require a citizen to answer under oath before he secures an official ballot whether he has been furnished with any paper or ballot on which is marked the names of any one for whom he has agreed or promised to vote or for whom he has been requested to vote, or has such paper or marked ballot in his possession, and he shall not be furnished with an official ballot until he has delivered to the judge such marked ballot or paper, if he has one. And any person who gives, receives or secures or is interested in giving or receiving an official ballot or any paper whatever, on which is marked, printed or written the name or names of any person or persons for whom he has agreed or proposed to vote, or for whom he has been requested to vote, or has such paper marked, written or printed in his possession as a guide or indication by which he could make out his ticket, shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a fine not less than one hundred dollars nor more than five hundred dollars, and confinement in the county jail for thirty days.

Sec. 72. One of the election judges shall receive from the voter his poll tax receipt or certificate of exemption when he presents himself to vote; the voter shall announce his name and the judge, after comparing the appearance of the party with the description given in the certified list of qualified voters of the precinct made out by the county collector and being satisfied that it accords therewith, shall pronounce in an audible voice the name of the voter and his number, as given in the list of qualified voters. If the voter has lost, mislaid or left at home his receipt or certificate and shall present his written affidavit of that fact, and if his appearance tallies with that given for the same number and name on the list of qualified voters or if the voter presents his written affidavit of removal from some other precinct or county in cases where the same is permitted by this Act, together with his receipt or certificate or affidavit of the loss thereof, and the judges of elec-

tion shall be satisfied that he paid his poll tax or received his certificate of exemption before the first day of the preceding February, the judge shall in like manner pronounce in an audible voice the name and number of the elector on the certified list of qualified voters with the word "correct."

Sec. 73. When the judges are satisfied as to the right of the citizen to vote and one has pronounced in an audible voice his name and number as shown on the list of qualified voters of the precinct and the word "correct," the judge shall stamp in legible characters with a stamp of wood or rubber the poll tax receipt or certificate of exemption with the words: "Voted —day of—, A. D. 19—," or write the same words in ink and then return said receipt or certificate to the voter, and shall at the same time deliver to him one official ballot on the blank side of which the presiding judge shall have previously written his signature. The voter shall then immediately repair to one of the voting booths or places prepared for voting by the election officers and there prepare his ballot, in the manner provided by section 53 of this Act.

Sec. 74. When a person offering to vote shall be objected to by an election judge or a supervisor or challenger, the presiding judge shall examine him upon an oath touching the points of such objection, and if such person fails to establish his right to vote to the satisfaction of the majority of the judges, he shall not vote. If his vote be received, the word "sworn" shall be written upon the poll list opposite the name of the voter.

Sec. 75. When a citizen shall have prepared his ballot, he shall fold the same so as to conceal the printing thereon and so as to expose the signature of the presiding judge on the blank side, which shall always be indorsed by the judge before the ballot is delivered, and shall after leaving the booth hand to the numbering judge his ballot, who shall number the same. If the judges are satisfied that the ballot returned is the one delivered to the voter the numbering judge shall number the ballot, writing on the blank side the number opposite the voter's name on the voting list, and shall stamp or write the same with the word "voted," and deposit the ballot in the ballot box. The letter "v" shall at the same time be marked by one of the clerks on the certified list or supplemental list of qualified voters opposite the voter's name thereon, and the voter shall thereupon immediately leave the polling place.

Sec. 76. No voter shall be entitled to receive a new ballot in lieu of one mutilated and defaced until he first re-

turns such ballot and it is deposited in box No. 4, nor shall any one be supplied with more than three ballots in succession, when they are mutilated or defaced. A register shall be kept by the clerks as the voting progresses of the mutilated or defaced ballots, which shall be deposited in box No. 4, in which shall also be deposited and returned all official ballots not used.

Sec. 77. From the time of opening the polls until the announcement of the results of the canvass of votes cast and the signing of the official returns, the boxes and official ballots shall be kept at the polling place in the presence of one or more of the judges and supervisors if there are any. No person shall be admitted within the room where the election is being held except the judges, clerks, persons admitted by the presiding judge to preserve order, supervisors of election, and persons admitted for the purpose of voting; provided, that the officers of the election shall permit an interpreter to assist any voter who can not both speak and read the English language. No judge or clerk shall make any statement nor give information in any manner of the number of votes nor any other fact regarding their opinion of the state of the polls after the closing thereof except as herein permitted.

Sec. 78. No officer of election shall unfold or examine the face of a ballot when received from an elector, nor the indorsement on the ballot, except the signature of the judge, or the words stamped thereon, nor compare it with the clerk's list of voters, when the ballots are counted, nor shall he permit the same to be done, nor shall he examine nor permit to be examined the ballots after they are deposited in a ballot box, except as herein provided for in canvassing the votes, or in cases specially provided by law.

Sec. 79. The counting judges and clerks shall familiarize themselves with the signature of the judge who writes his name on each ballot that is voted, and shall count no ballots that do not bear his signature or are unnumbered, or if on examination by the judges, such signature is found to be a forgery.

Sec. 80. If the officers of election need refreshments during the voting and before the canvass of votes, they shall be taken at the polling places and in view of the ballot boxes, provided that the refreshments shall contain no alcoholic, vinous, malt or intoxicating liquors.

Sec. 81. At the expiration of one hour after voting has begun the receiving judges shall deliver ballot box No. 1 to the counting judges, who shall

at once deliver in its place ballot box No. 2, which shall again be opened and examined in the presence of all the judges and securely closed and locked; and until the ballots in ballot box No. 1 have been counted, the receiving judge shall receive and deposit ballots in ballot box No. 2. Ballot box No. 1 shall on its receipt by the counting judges, be immediately opened and the tickets taken out by one of them, one by one, when he shall read and distinctly announce, while the ticket remains in his hand, the name of each candidate voted for thereon, which shall be noted on the tally sheets, and shall then deliver the ballot to the other counting judge, who shall place the same in box No. 3, which shall remain locked and in view until the counting is finished, when said box shall be returned with the other boxes, locked and sealed, to the county clerk. Ballot boxes Nos. 1 and 2 shall be used by the receiving judge and the counting judge alternately, as above provided, as often as the counting judge has counted and exhausted the ballots in either box; the election supervisors may be present when the ballots are being examined and the votes called off and noted on the tally sheets.

Sec. 82. At each change of the boxes one of the judges shall announce at the outer door of the voting place the number of votes already cast.

Sec. 83. Not more than one person at the same time shall be permitted to occupy any one compartment, voting booth or place prepared for a voter, except when a voter is unable to prepare his ballot from inability to read or write, or physical disability, two judges or an interpreter, if he can not both read and speak the English language, shall assist him, they having been first sworn that they will not suggest by word or sign or gesture how the voter shall vote; that they shall confine their assistance to answering his questions, to naming candidates, and the political parties to which they belong, and that they will prepare his ballot as the voter himself shall direct. The judges who assist the voter in preparing his ballot shall be of different political parties, if there be such judges present, and an election supervisor or supervisors may be present, but must remain silent, except in case of irregularity or violation of the law.

Sec. 84. If a presiding judge fails to attend on election day, or fails to act, or none shall have been appointed, the voters present may appoint their own presiding officer who has paid his poll tax, and such voters may also appoint the necessary assistant judges of election. When a presiding officer

who has been appointed by a commissioners court fails to act in conducting an election, and one is selected by the voters present, the judges and clerks at such election shall, in making their returns of election, certify to that fact, and state that the acting judges were appointed by the voters present. When an assistant judge or clerk has not been appointed or having been theretofore appointed and fails to act at the opening of the polls or during the election, the presiding judge shall appoint in his place another with the same qualifications, and return a certificate of such appointment with each election return.

Sec. 85. The election judges shall prevent loitering and electioneering while the polls are open within one hundred feet of the door through which voters enter to vote, and within one hundred feet of the place where the voter is required to prepare his ballot, and for this purpose they shall appoint a special constable to enforce this authority.

Sec. 86. No carriage or other vehicle shall be used by any person to convey voters to the voting places unless the voter is physically unable to go to or to enter the polling place without assistance, in which event two of the judges of different political parties, if there are such, may deliver an official ballot to him at the entrance to the polling place and permit him to make out his ballot and deliver it there.

Sec. 87. No person shall open or keep open any barroom, drinking saloon or wholesale beer or liquor house, where vinous, malt, spirituous and intoxicating liquors are sold during any portion of the day on which an election, either general, special or primary, is held for any purpose in the voting precinct where such election is held; nor shall any one in such voting precinct sell, barter or give away any vinous, spirituous or intoxicating liquor during the day of such election, nor shall any one carry or cause to be carried to the polling place on the day of election any intoxicating liquor for the purpose of sale, gift or to be drunk; and if any one shall find any intoxicating liquor on election day he shall refrain from taking possession of it and shall not inform another of its whereabouts.

Sec. 88. Intoxicating liquor may be sold on election day by a druggist only to fill prescriptions by a physician, but who at the time must certify in writing, on his honor, that it is needed by his sick patient.

Sec. 89. Immediately upon the closing of the polls, and at intervals of two hours thereafter, the presiding

judge or an associate judge shall make a correct but unofficial memorandum of the total number of votes counted for each candidate at that time, such memorandum being in the order in which the names of the candidates appear upon the ballot; and thereupon he shall publicly announce from such memorandum the status of the count at the door of the building where the counting is in progress. This memorandum shall thereafter be accessible to the public, and especially newspaper reporters, who may call for information, and the presiding judge or an associate judge may furnish reporters information concerning the status of the count at other times after the polls have closed. The announcement of the status of the count shall continue as aforesaid until the count has been completed, when a correct but unofficial announcement of the total number of votes received by each candidate shall be announced in the manner above provided. This section shall also apply so as to require the same reports from judges of primary elections.

#### Expenses by Managers of Political Headquarters and by Others.

Sec. 90. Every person who manages any political headquarters for any political party or for any candidate before any election, and every clerk and agent of such manager for such headquarters or candidate, and every other person whomsoever who expends money, gives any property or thing of value, or promises to use influence, or give a future reward to promote or defeat the election of any candidate or to promote or defeat the success of any political party at any election, shall within ten days after such election file with the county judge of the county in which the political headquarters was located, and with the county judge of the county where such manager, clerk or other person, as the case may be, reside, an itemized statement of all moneys or things of value thus given or promised, for what purpose, by whom supplied, in what amount and how expended, and what reward was given or promised, by whom and to whom, and what influence was promised, by whom promised and to whom said promise was given. He shall also state whether he has been informed or has reason to believe that the person thus aiding or attempting to defeat a party or candidate was an officer, stockholder, agent or employe of, or was acting for or in the interest of any corporation, giving his name, and if so of what corporation; and he shall if he has no positive knowledge state the source of his

information or the reasons for his belief as the case may be; all of which shall be sworn to and subscribed before the county judge, who shall file and preserve the same, which shall at all times be subject to inspection of the public.

#### Expenses of Candidates.

Sec. 91. Within ten days after a primary and also after a final election all candidates for office at such election shall file a written itemized statement under oath with the county judge of the county of their residence of all the expenses incurred during the canvass for the office, and for the nomination, including amounts paid to newspapers, hotel and traveling expenses, and such statement shall be sworn to and filed, whether the candidate was elected or defeated, which shall at all times be subject to inspection of the public.

#### Return of Election Supplies.

Sec. 92. One of the precinct judges shall deliver the returns of election with certified lists of qualified voters, with all stationery, rubber stamps and blank forms and other election supplies not used to the county judge immediately after the votes have been counted. He shall provide for the safe storage of the voting booths in some place in the precinct and notify the county judge.

#### Contesting Elections.

Sec. 93. All election contests, except for nominations in primary elections shall be tried as required by the Act of April 6, A. D. 1895, unless otherwise provided for by law.

Sec. 94. The provisions of this act shall apply to all elections held in this State, except as otherwise herein provided.

#### Non-Partisan and Independent Candidates.

Sec. 95. The name of a non-partisan or independent candidate may be printed on the official ballot in the column for independent candidates, after a written application signed by qualified voters to the Secretary of State and delivered to him within thirty days after primary election day as follows:

If for a State office to be voted for throughout the State, one per cent of the entire vote of the State cast at the last preceding general election; if for a congressional, supreme, judicial, senatorial, flatorial or judicial district office, three per cent of the entire vote cast in any such district at the last preceding general election; provided, that the number of signatures need not

exceed five hundred for any congressional, senatorial or judicial office, nor for any other office that is not filled by all the voters of the State.

Sec. 96. No application to the Secretary of State shall contain the name of more than one candidate, and no citizen shall sign such application unless he has paid his poll tax or received his certificate of exemption; provided, that if the office is one to which two or more persons are to be elected, his application may be for as many candidates as there are persons to be elected to that office, and provided, also, that no person who has voted at a primary election shall sign an application in favor of anyone for an office for which a nomination was made at such primary election.

Sec. 97. To every citizen who signs such application shall be administered the following oath, which shall be reduced to writing and attached to such application, viz.: "I know the contents of the foregoing application; I have participated in no primary election which has nominated a candidate for the office for which I desire (here insert the name) to be a candidate; I am a qualified voter at the next general election under the Constitution and laws in force, and have signed the above application of my own free will." One certificate of the officer before whom the oath is taken may be so made as to apply to all to whom it was administered.

Sec. 98. The Secretary of State shall on the receipt of the application which conforms to the above requirements issue his instruction to the county clerks of this State, or of the district, as the case may require, directing that the name of the citizen in whose favor the application is made shall be printed on the official ballot in the independent column under the title of the office for which he is a candidate; provided, that the citizen in whose favor the application is made shall first file his written consent with the Secretary of State to become a candidate within thirty days after primary election day.

Sec. 99. Independent candidates for office at a county, city or town election may have their names printed upon the official ballot on application to the county judge, if for a county office, or to the mayor if for a city or town office; such application being in the same form and subject to the same requirements herein prescribed for applications to be made to the Secretary of State in case of State or district independent nomination; provided, that a petition of five per cent of the entire vote cast in such county, city or town at the last general election shall be required for such nomination.

Sec. 100. Each political party whose nominee for governor at the last preceding general election received as many as ten thousand and less than one hundred thousand votes, may nominate candidates for State, district and county officers under the provisions of this law by primary election or they may nominate candidates for State offices at a State convention, which shall be held the third Tuesday in May, and which shall be composed of delegates elected in the various counties at county conventions held on the first Saturday after the first Tuesday in May, which shall be composed of delegates from the various election precincts in such counties elected therein at primary conventions held in such precincts on the first Tuesday in May. The State committee of all such parties shall meet at some place in the State to be designated by the chairman thereof on the second Tuesday in March and shall decide and by resolution declare whether they will nominate State, district and county officers by convention or by primary election, and shall certify their decision to the Secretary of State. Nominations for district offices made by such parties if by convention shall be made by conventions held on the second Tuesday in May and composed of delegates elected thereto at the county conventions held on Saturday after the first Tuesday in May, all of which county conventions shall nominate candidates for county offices of such parties for such county. All nominations so made by a State or district convention shall be certified by the chairman of the State or district committees of such parties to the Secretary of State, and nominations made by county conventions by the chairman of the county committee. No conventions of such parties to nominate candidates for office shall be held except on the dates herein prescribed. No person shall be allowed to vote or participate in any such primary convention unless he shall have first produced evidence that he has paid his poll tax or is exempt and no person shall be allowed to participate in any such convention who has participated in the convention or primary of any other party held on the same day.

Sec. 100a. Any political party not having a State organization but desiring to nominate candidates for county and precinct offices only, may nominate such candidates therefor under the provisions of this act by primary elections or by a county convention held on the legal primary election day, as herein defined, which county convention shall be composed of delegates from various election precincts in said county, elected therein at primary conven-

tions held in such precincts between the hours of 8 a. m. and 10 p. m. of the preceding Saturday. All nominations made by any such parties shall be certified to the county clerk by the chairman of the county committee of such party, and after taking the same course as nominations of other parties certified to the clerk, shall be printed on the official ballot in a separate column, headed by the name of the party; provided, a written application for such printing shall have been made to the county judge, signed and sworn to by three per cent of the entire vote cast in such county at the last general election.

Sec. 101. No new political party shall assume the name of any pre-existing party, and the party name printed on the official ballot shall not consist of more than three words.

#### Primary Elections.

Sec. 102. The term "Primary Election," as used in this act, means an election held by the members of an organized political party for the purpose of nominating the candidates of such party to be voted for at a general or special election, or to nominate the county executive officers of a party.

Sec. 103. No one shall vote in any primary election unless he has paid his poll tax or obtained his certificate of exemption from its payment, in cases where such certificate is required, before the first of February next preceding, which fact must be ascertained by the officers conducting the primary election by an inspection of the certified lists of qualified voters of the precinct and of the poll tax receipts or certificates of exemption; nor shall he vote in any primary election except in the voting precinct of his residence; provided, that if this receipt or certificate be lost or misplaced, or inadvertently left at home, that fact must be sworn to by the party offering to vote; and provided further that the requirements as to presentation of the poll tax receipt, certificate of exemption or affidavit shall apply only to cities of ten thousand population or over as shown by the last United States census; provided, that the executive committee of any party for any county may prescribe additional qualifications for voters in such primaries, not inconsistent with this act.

Sec. 104. To guard against fraud, a certified list and supplemental list of the qualified voters of the voting precinct furnished by the collector of taxes shall be in the possession of the officers conducting the primary election for reference and comparison, and opposite the name of every voter on

said list shall be stamped when his vote is cast with a rubber or wooden stamp, or written with pen and ink the words, "primary—voted," with the date of such primary under the same; and provided further, that the judges of primary elections are authorized to administer oaths in regard to any matter pertaining to the election. And provided further, that it shall be the duty of the tax collector of each county upon application by the county chairman of the various political parties, to furnish to the presiding judges of the election in the several precincts, certified copies of the list of qualified voters of the several precincts, which said copies shall be furnished at least four days prior to said primary election.

Sec. 105. The fourth Saturday in July in the year 1906 and every two years thereafter shall be the legal "primary election day" and primary elections to nominate candidates for a general election shall be held on no other day except when specially authorized. Any political party may hold a second primary election on the second Saturday in August to nominate candidates for a county or precinct office where a majority vote is required to make a nomination; but at such second primary only the two candidates who received the two highest votes at the first primary for the same office shall be voted for. Nominations of candidates to be voted for at any special election shall be made at a primary election at such time as the party executive committee shall determine, but no such committee shall ever have the power to make such nominations; provided, that all precincts in the same county and all counties in the same district shall vote on the same day. Nominations of party candidates for offices to be filled in a city or town shall be made not less than ten days prior to the city or town election at which day they are to be chosen, in such manner as the party executive committee for such city or town shall direct, and all laws prescribing the method of conducting county primary elections shall apply to them.

Sec. 106. There shall be for each political party, required by this law to hold primary elections for nomination of its candidates, a county executive committee to be composed of one member from each voting or justice precinct in such county as the party executive committee may direct, the chairman thereof to be elected by the qualified voters of the county on primary election day, and the other members thereof to be elected by the county convention of said party, which assembles immediately thereafter, as provided in this act; provided, that in

case of a vacancy occurring in the office of chairman, or any member of such committee, such vacancy shall be filled by a majority vote of said executive committee.

Sec. 107. The vote at all general primaries shall be by official ballot which shall have printed at the head the name of the party and under such head the name of all candidates, those for each nomination being arranged in the order determined by the various committees as herein provided for beneath the title of the office for which the nomination is sought. The voter shall erase or mark out all the names he does not wish to vote for. The official ballot shall be printed in black ink upon white paper and beneath the name of each candidate thereof for State and district offices there shall be printed the county of his residence. The official ballot shall be printed by the county committee in each county, which shall furnish to the presiding officer of the general primary for each voting precinct at least one and one-half times as many of such official ballots as there are poll taxes paid for such precinct as shown by the tax collector's list. Where two or more candidates are to be nominated for the same office, to be voted for by the qualified voters of the same district, county or justice precinct, such candidates shall be voted for and nominations made separately and all nominations shall be separately designated on the official ballots by numbering the same "1," "2," "3," etc., printing the abbreviation "No." and the designating number after the title of the office for which such nominations are to be made. Each candidate for such nominations shall designate in the announcement of his candidacy and in his request to have his name placed on the official ballot the number of the nomination for which he desires to become a candidate and the names of all candidates so requesting shall have their names printed beneath title of the office and the number so designated. Each voter shall vote for only one candidate for each such nomination.

Sec. 108. Any person affiliating with any party who desires his name to appear on the official ballot for a general primary as a candidate for the nomination of such party for any State office shall file with the State chairman not later than the first Monday in June preceding such primary his written request that his name be placed upon such official ballot as a candidate for the nomination named therein, giving his age and occupation, the county of his residence and his postoffice address, which shall be signed by him and acknowledged by him before some

officer. Any twenty-five qualified voters may likewise join in the request that the name of any person affiliating with such party be placed upon the official ballot as a candidate for any State nomination, giving the occupation, county of residence and postoffice address of such person signing and acknowledging the same as above provided, and may file the same with the State chairman on or prior to the date above mentioned with the same effect as if such request had been filed by the party named therein as a candidate for such nomination. All such requests shall be considered filed with the State chairman when they are sent from any point in this State by registered mail addressed to the State chairman at his postoffice address.

Sec. 109. On the second Monday in June preceding each general primary the State committee shall meet at some place to be designated by its chairman, of which designation it shall be the duty of such chairman to notify by mail all members of said committee and all persons whose names have been requested to be placed upon the official ballot not less than three days prior to such meeting. Such committee at this meeting shall by resolution direct their chairman to certify to each county chairman in the State the names of such candidates and county of residence of each as shown by the requests filed with the State chairman. Copies of such certificates shall be immediately furnished to each newspaper in the State desiring to publish the same, and one copy shall be immediately mailed to the chairman of the executive committee of each county. At this meeting the State committee shall also decide upon and publish the place where the State convention of the party shall be held on the second Tuesday in August thereafter.

Sec. 110. Any person desiring his name to appear on the official ballot as a candidate for the nomination for chief justice or associate justice of the Court of Civil Appeals, or for representative in Congress or for State senator or for representative or district judge or district attorney in representative or judicial districts composed of more than one county, shall file with the chairman of the executive committee of the party for the district, the request prescribed in this act, with reference to the candidate for State nominations, or if there be no chairman of such district executive committee, then with the county chairman of each county composing such district not later than the first Monday in June preceding the general primary. Such requests may likewise be filed not later than said date by any twenty-

five qualified voters resident within such district, signed and acknowledged by such voters in the manner prescribed respecting such request signed by a candidate named therein. Immediately thereafter it shall be the duty of each such district chairman to certify the name of all persons for whom such requests have been filed to the county chairman of each county composing such district and each county committee shall determine by lot the order in which the names of all candidates for each such district office shall be printed upon the official ballot.

Sec. 111. Any person desiring his name to appear on the official ballot for the general primary as a candidate for the nomination for any office to be filled by the qualified voters of a county or a portion thereof, or for county chairman shall file with the county chairman of the county of his residence, not later than the Saturday before the third Monday in June preceding such primary, a written request for his name to be printed on such official ballot as a candidate for the nomination or position named therein, giving his occupation and postoffice address, giving the street and number of his residence if within a city or town, such request to be signed and acknowledged by him before some officer authorized to take acknowledgments to deeds. Such request similarly signed and acknowledged by any twenty-five qualified voters resident in the county may be filed on or before said date requesting that the name of any person named therein may be placed on the official ballot as a candidate for any county or precinct office or chairmanship, with like effect as if such request was filed by the person named as candidate therein; which request shall be endorsed by the candidate named therein, showing his consent to such candidacy if nominated. On the third Monday in June preceding such general primary the county committee of each county shall meet at the county seat and determine by lot the order in which the names of all candidates for each nomination or position requested be printed on the official ballot shall be printed thereon, and decide whether the nominations of county officers shall be by majority or plurality vote, and if by majority vote, the committee shall call as many such elections as may be necessary to make such nomination, and in case the committee fails to so decide then the nomination of all such officers shall be by plurality vote cast at such election. At such meeting the county committee shall also carefully estimate the cost of printing the official ballots, renting polling places where same may be found necessary, provid-

ing and distributing all necessary poll books, blank stationery and voting booths required, compensation of election officers and clerks and messengers to report the result in each precinct to the county chairman, as provided for herein, and all other necessary expenses of holding such primaries in such counties, and shall apportion such cost among the various candidates for nomination for county and precinct offices only as herein defined, and offices to be filled by the voters of such county, or precinct only (candidates for State offices excepted), in such manner as in their judgment is just and equitable, giving due consideration to the importance and emoluments of each such office for which a nomination is to be made, and shall by resolution direct the chairman to immediately mail to each person whose name has been requested to be placed on the official ballot a statement of the amount of such expenses so apportioned to him, with the request that he pay the same to the county chairman on or before the fourth Monday in June thereafter. At this meeting the county chairman shall present to the committee the certificates of the chairman of the State and the various district executive committees, showing the names of all persons whose names are to appear on the official ballot as candidates for State and district offices and shall appoint subject to the approval of the committee a subcommittee of five members to be known as the primary committee, of which he shall be ex officio chairman, which subcommittee shall meet on the second Monday in July and make up the official ballot for such general primary in such county, in accordance with the certificates of the State and district chairman, and the request filed with the county chairman and placing the name of candidates for nomination for State, district, county and precinct offices thereon in the order determined by the county executive committee as herein provided; provided, that the name of no person shall be placed thereon for a county or precinct office who has not paid to the county executive committee the amount of the estimated expenses of holding such primary apportioned to him by the county executive committee as hereinbefore provided. No candidate for a State or district office, unless such district is composed of one county only, shall be required to pay any portion of such cost, unless the executive committee of the county shall so direct, but in no event shall more than one dollar apiece be assessed against any such candidate for a State or district office unless such district is composed of one county only. If there are no requests filed for candidates for county or precinct chair-

man, a blank space shall be left on the ticket beneath the designation of such position.

Sec. 112. All county executive committees of organized political parties shall meet the first Saturday after each primary election to canvass the result of such election.

Sec. 113. It shall be the duty of the various county committees of any political party on the day and date set apart by this act for arranging for primary elections to determine the order in which the name of the various candidates for State or district or county and precinct offices shall appear on the ticket and said order shall be determined by lot so no preference shall be given to any candidate.

Sec. 114. On the fourth Saturday in August succeeding each general primary there shall be held in each district within the State in which any candidate or candidates for any district office are to be elected at the succeeding regular election, a district convention which shall be composed of delegates from the county or counties composing such district selected in the manner herein provided. Notice of the time and place of holding such convention shall be given by the executive committee of such district at least ten days prior to such meeting. Before such convention assembles the executive committee of such district shall meet and elect one of its number chairman of such committee and shall prepare a list of the delegates from the various counties composing such district which have been certified to the district committee by the chairmen of the various county committees, and shall tabulate the vote cast in the various counties for each candidate for the district office which has been certified to such committee as provided in this Act and shall also prepare a statement showing the number of convention votes which each county in such district is entitled to cast in said convention upon the basis set forth in Section 120 of this Act, and shall present such list of delegates, tabulated vote and convention vote to the convention when it assembles. In the balloting for candidates for a nomination for a district office the names of the counties composing such district shall be called in alphabetical order and the delegates from each county respectively or such of them as may be present shall cast the convention vote of each county for the person as shall have been determined by the vote of such county in the primary election as provided in Section 120 of this Act, and the candidate before said district convention who shall receive a majority of all the convention votes repre-

sented in said district convention shall be declared the nominee for such district office of the party holding said convention. If no candidate shall receive a majority of the convention vote on the third ballot the name of the candidate having the least number of votes on said ballot shall be dropped and thereafter after each ballot the name of the candidate having the least number of votes shall be dropped and the balloting continued until some candidate shall be nominated by a majority vote. After the name of a candidate is dropped or if the name of any candidate shall be withdrawn the delegates representing any county in the district which had cast its vote or any part thereof for such candidate shall have the right to cast the vote of such county or any part thereof which had been previously cast for said candidate so dropped or withdrawn for any other candidate then before said convention. When such nomination shall have been made by said district convention, the same shall be certified by the district executive committee as provided in Section 120 of this act.

Sec. 115. On the first Saturday after primary election day for 1906, and each two years thereafter, there shall be held in each county a county convention of each party, to be composed of one delegate from each precinct in such county for each twenty-five votes or a major fraction thereof cast for the party's candidate for governor at the last preceding election, which delegates shall be elected by the voters of each precinct on primary election day in such manner as may be prescribed by the county executive committee at their meeting on the second Monday in June, which convention shall select one delegate to the State and several district conventions, for each three hundred votes or a major fraction thereof, cast for the party's candidate for governor in such county at the last preceding general election, and the delegates to the said convention, so elected, or such of them as may attend the said convention, shall cast the vote of the county in such conventions. Immediately upon the adjournment of each such county convention the president thereof shall make out a certified list of the delegates to each of said conventions chosen by such county convention and shall sign the same, the secretary of such convention attesting his signature, and shall forward such certified list by sealed registered letter to the chairman of the State and district executive committees, who shall present the same to the respective committees at its meeting prior to the convention, and from such certified list the respective committee shall pre-

pare a temporary roll of those selected as delegates to such convention; provided that no proxies shall be allowed to or recognized in any convention held by authority of this Act.

Sec. 116. All party State conventions to announce a platform of principles and announce nominations for Governor and State offices shall, except as otherwise provided, meet at such places as may be determined by the parties respectively on the second Tuesday in August, A. D. 1906, and every two years thereafter, and they shall remain in session from day to day until all nominations are announced and the work of the convention is finished.

Sec. 117. On primary election day in 1906 and every two years thereafter, candidates for Governor and for all other State officers to be chosen by a vote of the entire State, and candidates for Congress and all district offices to be chosen by the vote of any district comprising more than one county, to be nominated by each organized political party that cast one hundred thousand votes or more at the last general election, shall, together with all candidates for offices to be filled by the voters of a county or of a portion of a county, be nominated in primary elections by the qualified voters of such party. The chairman of the executive committee in each county shall, as soon as the vote cast in the primary election has been counted and canvassed as herein provided for, prepare a tabulated statement of the votes cast in his county for each candidate for each nomination for a State, district, county or precinct office, and of that cast for county chairman, as shown by the canvass made by the county executive committee, and shall immediately mail such statement as to a State or district office in a sealed envelope by registered letter to the chairman of the State executive committee, and district executive committee respectively, who shall present the same to the State and district committee at its meeting to be held as herein provided; provided that the county executive committee may determine whether the nomination of county officers shall be by a majority or plurality vote in such county, and if by a majority vote, then the committee may call as many such elections as may be necessary to make such nomination.

Sec. 118. Every certificate of nomination made by the president of the State convention or by the chairman of any executive committee must state when, where, by whom and how the nomination was made; and no name shall appear on the official ballot except that of a candidate who was actually nominated in accordance with

the provisions of this act. No executive committee shall ever have any power of nomination except where a nominee has died or declined the nomination as provided in Section 50 of this act.

Sec. 119. On the Monday preceding the second Tuesday in August, 1906, and every two years thereafter, the State executive committee shall meet at the place selected for the meeting of the State convention, and shall open and canvass the returns of the primary election as to nominations for State officers, as certified by the various county chairmen to the State chairman for each county, and shall prepare a tabulated statement showing the number of votes received by each such candidate in each county, which statement shall be approved by the State committee and certified by its chairman. At this meeting the State committee shall also prepare a complete list of the delegates elected to the State convention from each county as certified to the State chairman by each county chairman. The State chairman shall present said tabulated statement and said list of delegates to the chairman of the State convention immediately after its temporary organization on the following day, for its approval or disapproval.

Sec. 120. The candidate for any office who received a majority of all the votes cast in such county for said office shall be entitled, if a county office, to be placed upon the official ballot as the candidate of his party for the office to which he was nominated. In district and State conventions at the end of each ballot cast, the candidate receiving the smallest vote shall be dropped from the list of candidates to be voted for on the next ballot. Each county delegation upon each ballot cast for candidates being voted for, shall cast for each of such candidates the vote of the county or his pro rata part of the county

vote, as long as the name of such candidate is before the convention. Whenever the name of any candidate is withdrawn or dropped from the convention, then the delegation of each county may cast the instructed vote or any part thereof of such county for such dropped or withdrawn candidate for any other candidate whose name is then before the convention, as the delegation may decide. The convention shall continue to ballot until some one of the candidates balloted for shall receive a majority of all the votes of the convention, when he shall be declared the nominee of the party for the office for which he is nominated. shall cause public notice thereof to be given at once in some newspaper in the county, or if there be none, by posting notices in some public place in the precinct.

Sec. 123. All the precinct primary elections of a party shall be conducted by a presiding judge to be appointed by a chairman of the county executive committee of the party with the assistance and approval of at least a majority of the members of the county executive committee. Two additional clerks may be appointed, but only when in the opinion of the presiding judge there will be more than one hundred votes polled at the primary election in the precinct. No one shall serve as judge, clerk or supervisor at a primary election unless he has paid his poll tax. The executive committee shall have general supervision of the primary in such county and shall be charged with the full responsibility for the distribution of all supplies necessary for holding same in each precinct to the presiding judge thereof. If the duly appointed presiding officer shall fail to obtain from the executive committee the supplies for holding such election such committee shall deliver the same to the precinct chairman for such precinct, and if unable to deliver the same to such presiding officer or precinct chairman not less than twenty-four hours prior to the time of opening the polls for such primary, such committee shall deliver the same to any qualified voter of the party residing in such precinct, taking his receipt therefor and appointing him to hold such election in case such presiding officer or precinct chairman shall fail to appear at the time prescribed for opening the polls.

Sec. 124. No official ballot, either for a primary or general election shall have on it any symbol or device or any printed matter except that which is authorized by law, and no ballot cast in violation of this section shall be counted for any candidate. In all cities and towns which now have a duly selected executive committee the same shall serve until the next city election, and in cities and towns having no executive committee the county chairman of the political party desiring to make nominations in such cities and towns shall appoint an executive committee to serve until the next city election shall be held, and in each city and town in this State in which a political party may desire to make nominations there shall be held, at least thirty days prior to the regular election, an election at which there may be nominated by each political party, officers to be selected at the next city election, and at which said election there shall be selected the executive committee for said city and town herein provided

The executive committee herein provided for may decide whether or not nominations shall be made by such political party in such city or town, and in case it is decided that no nomination shall be made such executive committee shall call a meeting of the members of such political party at least thirty days prior to a regular election, at which a new executive committee shall be selected to serve during the ensuing term; provided, that this act shall not be construed to prevent independent candidates for city offices from having their names upon the official ballot, as provided for in Section 99 of this act.

Sec. 129. The county tax collector shall deliver to the chairman of the county executive committee of each political party, for its use in primary election, at least five days before election day, certified lists of the qualified voters of each precinct in the county, arranged alphabetically and by precincts, who have paid their poll tax or received certificates of exemption, and it shall be the duty of such chairman to place the same in the hands of the election officers of each election precinct before the polls are open, and no primary election shall be legal unless such list is obtained and used for reference during the election. Sec. 131. All returns of precinct primary elections properly signed and certified as correct by the judges and clerks thereof, showing the vote cast for each candidate, shall be sealed and immediately delivered after such primary election to the chairman of the county executive committee of the party. Such party chairman shall give notice to the members of the county executive committee to assemble at the county seat of the county on the first Saturday after the first primary election, and said returns shall then be opened under the direction of such

executive committee and canvassed by them. They shall then make a list of the candidates who have received the highest vote for office and the chairman of the executive committee shall certify to the same and deliver it to the county clerk of the county, who shall cause the names of the candidates who have received the highest vote for each office to be printed in some newspaper published in the county, and if no newspaper be published in a county then he shall post a list of such names in at least five public places in the county, one of which shall be upon the door of the court house in said county; provided, that all objections to the regularity or validity of the nomination of any person whose name appears in said list shall be made within five days after such printing or posting by a notice in writing filed with the county clerk, setting forth the grounds of objections. In case no such objection is filed within the time prescribed, the regularity or validity of the nomination of no person whose name is so printed or posted shall be thereafter contested. Sec. 132. It shall be the duty of the county clerk of each county to post in a conspicuous place in his office for the inspection and information of the public the names of all candidates that have been lawfully certified to him to be printed on the official ballot for at least ten days before he orders the same to be printed on said ballot, and he shall order all the names of the candidates so certified printed on the official ballot as herein otherwise pro-

Sec. 133. If on counting the vote in a primary election it shall appear that for a county or precinct office the largest vote has been cast for two candidates for the same office and that they have each received the same number of votes, the chairman of the executive committee shall in the presence of the executive committee or the county convention (as the case may be) cast lots for the nomination in such manner as they may direct and in the presence of the rival candidates if they desire to be present and declare and certify the result of that candidate who is successful by lot.

Sec. 135. Judges of primary elections have the same authority and it shall be their duty to administer oaths, to preserve order at the election, to appoint special officers to enforce the observance of order and to make arrests as is conferred on judges of general elections. Such judges and officers shall compel the observance of the law that prohibits loitering or electioneering within one hundred feet of the entrance of the polling place and shall arrest or cause to be arrested anyone engaged in the work of conveying voters to the polls in carriages or other mode of conveyance except as permitted by this act.

Section 1. That Article 5243e, of Chapter 9, Title CIV, of the Revised Statutes, as amended by an act of the Twenty-fifth Legislature of the State of Texas, approved April 30, 1897, entitled "An Act to amend Articles 5243e, 5243i, 5243j and 5243k, of Chapter 9, Title CIV, of the Revised Civil Statutes, relating to the taxation of insurance, telephone, sleeping and dining car and other corporations, and to provide for forfeiting the charters of domestic corporations and permits of foreign corporations to do business in this State for failure to pay the franchise tax levied by this act, and to define and prescribe the notice to be given to said corporation previous to such forfeiture, and to provide adequate penalties for the violation of this act," and as further amended by an act of the Twenty-ninth Legislature of the State of Texas, approved April 18, 1905, entitled "An Act to amend Article 5243e of an act entitled 'An Act to amend Articles 5243e, 5243i, 5243j and 5243k, of Chapter 9, Title CIV, of

Article 5243e. Every life, fire, fire and marine, marine, marine and inland insurance company, and every life and accident, life and health, accident, credit, title, steam boiler, live stock and casualty company and all other insurance companies doing business in this State, except fidelity and guaranty companies, at the time of filing its annual statement shall report to the Commissioner of Agriculture, Insurance, Statistics and History the gross amount of premiums received in the State, upon property located in this State, and from persons residing in this State during the preceding year, and each of such companies shall pay an annual tax upon such gross premium receipts as follows: Each life insurance company shall pay a tax of 3 per cent of such gross premiums, all other companies enumerated above shall pay a tax of 2 per cent of such gross premiums; provided, that any company doing a life insurance business in connection with any other class of insurance business enumerated shall pay the same tax upon the gross receipts from life insurance business as is levied against the receipts of a company conducting a purely life insurance business; and the gross premium receipts are understood to be the premium receipts reported to the Commissioner of Agriculture, Insurance, Statistics and History by the insurance companies upon the sworn statement of two principal officers of such companies.

Upon receipt by him of sworn statements showing the gross and net premium receipts by such companies, the commissioner shall certify to the State Treasurer the amount of taxes due by each company, which tax shall be paid to the State Treasurer for the use of the State on or before the 1st day of March following, whose receipt shall be evidence of the payment of such taxes, and no insurance company shall receive a permit to do business in this State until such taxes are paid.

Amend page 2, line 37, by inserting the following: "and provided further, that no occupation tax shall be levied on insurance companies, herein subjected to a gross premium receipt tax, by any county, city or town."
